

## Update: First Week of School

### LUM After School Program is BACK

Classes started this week in all Indiana schools — which means the LUM After School Program has started as well.

The LUM After School Program provides safe, fun and enriching childcare for children in afternoon kindergarten through 5th grade. ASP serves up to 42 children for three hours each school day, enabling their parents to finish their workday.

The children are transported from local elementary schools to LUM where they work on homework, have a nutritious snack, and participate in religious education, crafts, music,

and other fun and educational activities. In addition, the group goes on numerous field trips.

The program is staffed by a professionally trained educator and an assistant. Many volunteers and several bus drivers also help. If you are interested in volunteering or need more information, call or email Cindy Haley at 765.423.2691 or [chaley@lumserve.org](mailto:chaley@lumserve.org).

### ASP Bus Drivers Needed

Bus drivers are needed for LUM's After School Program. Drivers are needed to transport students Monday through Friday from 2:30 to 3:30 p.m.

Volunteers do not need to commit to 5-days per week. Some training is required.

If you are interested or need more information, please call or email Cindy Haley at 765.423.2691 or [chaley@lumserve.org](mailto:chaley@lumserve.org). [More details.](#)
