

Update: "Not the Marrying Kind"

LUM Forum: Not the Marrying Kind

On Wednesday, August 29, pastors and staff of LUM member churches joined with LUM staff in hearing a lecture and discussion on the topic of marriage entitled: *Not the Marrying Kind*. The morning began with a presentation by Professor Sarah Mustillo which detailed the trends and consequences upon children of the disintegration of marriage. Following the formal presentation several pastors and staff from the member congregations shared their reactions, asking questions and offering further insights. The conversation was enlightening and informative. The LUM staff listened, learned and promised to consider how this this information might be incorporated into LUM's programs and services.

Professor Sarah Mustillo, PhD

Dr. Mustillo joined the faculty at Purdue University in 2007 as Associate Professor of Sociology in the College of Liberal Arts. Her specialization is in health and mental health, quantitative methods, and children/youth. She has authored or co-authored scientific articles and has served as principal investigator, investigator or statistician on several grants. Her research focuses on the effects of parenting and family structure on the mental health of children and adolescents, as well as on the role of adversity in child health and mental health.
