

Update: Opportunities to Serve at LUM

Overnight Shelter Volunteers

Overnight Shelter Volunteer Training Session is **THIS Thursday night** at 6:30 p.m. at the LUM Ray Ewry Youth Center/Shelter Building at 525 N. 4th Street, Downtown Lafayette.

No need to register to attend a session. Volunteers must attend a Shelter Training Session which are offered twice a month. Click HERE for more information on the position and for the complete schedule of upcoming Training Sessions.

Volunteering with LUM

LUM could not provide its many programs and services without the hundreds of volunteers who generously contribute their time and talents. Most volunteers find their work to be interesting, fulfilling, and rewarding.

There are many different opportunities for volunteering, from working one-on-one with a child in the afternoon After School Program to helping run the 42-bed homeless shelter overnight. Also, there are opportunities to fit every schedule, from regular long-term commitments such as being an advocate once a week in the morning Emergency Assistance Program, to helping out one time with a special event or service such as the Thanksgiving Celebration, Jubilee Christmas or Income Tax Preparation.

Some volunteer positions require training while others require only a willing heart and a helping hand.

For more information on how you may get engaged, click HERE.

Receptionist—Tuesdays P.M.

Volunteer Reception needed each Tuesday afternoon from 12:45 to 4:30 p.m. Volunteer Receptionists greet guests, answer phones and complete general clerical duties in the LUM main office (425 N. 4th Street, Lafayette).

Veldman Goes Above and Beyond

Lafayette Urban Ministry would like to give a big THANKS to Mr. Greg Veldman who has recently gone above and beyond the call of duty. Greg has given countless hours of his time and expertise to assist LUM in changing their entire electronic mail platform and system. Greg is a LUM Board member representing the Lafayette Christian Reform Church. Greg graduated from Purdue with a degree in electrical engineering and works for his alma mater in the ITaP Enterprise Storage Group. LUM couldn't have completed this project without him. Thank you, Greg.
