

## Update: Summer Enrichment

### 5th Quarter Has Begun!

The LUM 5<sup>th</sup> Quarter Summer Learning Program has begun. The LUM 5<sup>th</sup> Quarter program is dedicated to closing the academic achievement gap for a select group of elementary school students.

The trained staff creates a loving environment for the students to learn during the summer months. 5<sup>th</sup> Quarter includes active learning (based on Indiana academic standards), crafts and recreation, free lunch, and study trips. The 5<sup>th</sup> Quarter program runs

Monday through Friday from 7 a.m. to 5:30 p.m. until August 9, 2013. Once the school year begins in the Fall, these students who typically struggle academically will be better prepared than their peers because of the intentional focus on enriched and experiential learning offered in the LUM 5<sup>th</sup> Quarter Summer Learning Program.

If you wish to support 5<sup>th</sup> Quarter, make a [monetary donation](#), sponsor a field/study trip and/or [donate snacks](#). For more information on 5<sup>th</sup> Quarter, email Cindy Haley at [chaley@lumserve.org](mailto:chaley@lumserve.org).
