Thank You to LUM Shelter Volunteers

Lafayette Board of Directors and staff would like to extend its deep and abiding THANKS to each of the 480 volunteers who worked so hard to keep our emergency shelter open during the recent harsh winter. When schools, businesses and even Purdue and Ivy Tech closed because of the cold, wind chill and snow, these committed shelter volunteers braved the weather to make sure the

homeless in our community had a safe and warm place to stay. Two hundred sixty-nine homeless men and women were guests of the LUM emergency shelter an average of 17 nights each this winter.

Special thanks to our volunteer case managers who helped so many of our guests to transition off the streets into more permanent housing during this period. Thanks also to the more than 100 local churches and organizations who provide warm meals to the homeless in the LUM emergency shelter.
