Water Heater—Unexpected Break Down

LUM needs your financial assistance for a new water heater.

This past weekend the water heater in the LUM Ray Ewry Youth Center broke down unexpectedly. The water heater is only two years old; and therefore, the replacement is covered under warrantee. BUT — LUM needs to pay for the labor costs to remove the defective water heater and install the new water heater — an **estimated cost of over \$700**.

The LUM Ray Ewry Youth Center is home to the LUM Emergency Shelter and the

LUM student programs (After School Program, 5th Quarter Summer Learning Program & Achieve! Stay in School Program). The building needs a super-sized water heater to support over 40 hot showers nightly, two commercial kitchens with commercial dishwashers, two large capacity washing machines and more.

Please consider a donation to LUM to offset this unexpected expense. To give online, click [HERE](#).
