Wesley Tillett, LUM Executive Director

Cris King is a LUM volunteer, donor, and board member. She shared that, "I volunteer at LUM in the Financial Assistance Program because of its important role in helping people in need keep their homes and utilities. LUM’s modest financial support and referrals often make a huge difference for those struggling to survive financially. Volunteering in this program is an all way I can help. Other LUM programs, including the Emergency Shelter, After School Program, and Immigration Clinic, provide assistance that is at the heart of social justice, and why I contribute financially. Another positive aspect of volunteering is the LUM staff. They are dedicated and kind. It’s a pleasure to see their respect toward the clients, and in turn the clients’ appreciation for the help. Lafayette Urban Ministry is a wonderful organization."
