After School Child Care

Lafayette Urban Ministry

*Tackling human needs,
Uplifting human beings.*

After School Program

The LUM After School Program provides safe, fun and enriching childcare for children in kindergarten to 6th grade. The program serves elementary and middle school children for three hours each school day, enabling their parents to finish their workday.

The children are transported from local elementary & middle schools to the LUM After School Program at LUM Ray Ewry Center—where they work on homework, have a nutritious snack, and participate in crafts, music, and other fun and educational activities. In addition, the students go on numerous field trips.

The program is staffed by a professionally trained educator and an assistant — and several teacher aides and bus drivers also help.
